

HEAVY DUTY

LAUNDRY DETERGENT

DESCRIPTION:

LOW SUDS HEAVY DUTY LAUNDRY DETERGENT is a total formulated laundry compound containing wetting agents, water softeners and grease emulsifiers.

DIRECTIONS FOR USE:

For normal soil, use 1/2 cup to a 18 lb. load. For larger machines increase in proportion to load size. A layer of foam or suds on top of the water indicates you are using the proper dilution of detergent. If foam does not develop on surface of water, add more **LOW SUDS HEAVY DUTY LAUNDRY DETERGENT**. Maintain 1/2 to 1 inch of suds on top of water.

If water conditions are very hard, more low foam may be required. For excessively soiled clothes, use two cups per wash load. Should a particular piece of laundry be heavily soiled, make a paste with **LOW SUDS HEAVY DUTY LAUNDRY DETERGENT** by adding a small amount of water to approximately 1 oz. detergent and mix together. Rub paste on the heavily soiled areas, then put through regular wash cycle.

HAZARD STATEMENTS: Causes skin irritation. Causes serious eye damage.

PRECAUTIONARY STATEMENTS:

Wash hands and forearms thoroughly after handling. Wear eye protection, face protection, protective clothing, protective gloves. **IF ON SKIN:** Wash with plenty of water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a **POISON CENTER** or doctor/physician. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash before reuse.

SPECIFICATIONS:

Appearance.....	Solid, Granular
Color	Blue
Odor	Faint Lemon
pH 1% @ 77°F	10.7 – 11.7
Specific Gravity.....	N/A
Solubility.....	Complete

NOTES: This product does not Contain Bleach. Refer to the Safety Data Sheet (SDS) and product label for additional information including, first aid measures, storage and handling.
