

**DESCRIPTION**

**ULTRA ZYME** is a cleaner/deodorizer no-rinse degreaser. Use on any hard surface such as concrete, ceramic tile, brick, quarry tile, and vinyl tile. Works especially well in cleaning kitchen and food prep areas. The bio-enzymatic deodorizing cleaner will deep clean organic waste from surfaces. Will not damage floor finish when using Light cleaning dilution (1:64). It is an excellent urine odor remover. Directions: Shake Well Before Using.

**USE DILUTIONS**

Light cleaning	2oz. / gallon	(1:64)
Medium cleaning	4oz. / gallon	(1:32)
Heavy cleaning	6oz. / gallon	(1:20)
Urine Odor Removal	6oz./ gallon	(1:20)

1. Dilute according to soil conditions using warm water.
2. Apply solution to the floor using a mop or auto scrubber.
3. Allow solution to penetrate grease and other soils.
4. If necessary, brush floor with a stiff bristle brush.
5. Mop up solution or squeegee to drain. Do not rinse.  
Allow surfaces to dry.

**HAZARD STATEMENTS:** May cause an allergic skin reaction. Causes eye irritation.

**PRECAUTIONARY STATEMENTS:** Avoid breathing mist, spray. Wash hands and forearms thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection, face protection. **IF ON SKIN:** Wash with plenty of water. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Specific treatment (see supplemental first aid instruction on this label). If skin irritation or rash occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention. Wash contaminated clothing before reuse. Dispose of contents/container in accordance with local/regional/national/international regulations.
