

### DESCRIPTION

**Zani Shine** Floor Polish Magic is an amazing quick-shine product uniquely formulated to simply enhance a cleaner, brighter floor shine for a polished professional look. Works best on luxury vinyl planks, VCT, engineered wood, ceramic and porcelain tiles.

**BENEFITS:** Ready-to-use quick and easy application. Quick shine detailing magic. Leaves a natural luster to the floor. Makes routine maintenance easier and helps keep the floor cleaner longer.

### DIRECTIONS:

**Clean the floor:** Ensure the floor is clean and dry before application. Remove dust dirt and debris.

**Apply Zani Shine:** Lightly spray a small amount on the floor, using a microfiber flat mop evenly spread a thin wet coat doing small sections at a time. Continue to spray and spread until the floor is complete.

**Caution:** Once **Zani Shine** is spread over a section do not disturb because of its quick dry time. This will leave footprints and mop strokes and will require a touch-up once it dries or applying a second coat might be required. Once the application is finally finished allow 30 minutes drying time before foot traffic is allowed onto this floor.

**HAZARD STATEMENTS:** Causes eye irritation.

**PRECAUTIONARY STATEMENTS:** Wash hands and forearms thoroughly after handling. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

### SPECIFICATIONS:

Physical state.....	Liquid
Color.....	Milky White
Odor.....	Acrylic
pH.....	8.8 - 9.8
Specific Gravity @ 77° F.....	1.0067 - 1.0267
